**Area Employment Hits Record High**

Employment advanced to a record high of 2,881,000 in June in the Los Angeles-Long Beach-Orange County area. Irving H. Perluss, director of employment, announced today.

Despite a net gain of 21,200 jobs since May, the number of unemployed workers also rose from May to June as thousands of young workers entered the labor force seeking permanent employment or summer jobs.

Total employment in the two-county area was above the same month last year by 116,100 or 4.2 percent. All major nonfarm industries shared in the advance and job totals reached record levels in manufacturing, financing, services, and government. From May to June, seasonal hiring was active in trade, services, construction, and manufacturing.

In addition, nonseasonal gains occurred in the defense-oriented industries, particularly ordnance and the electronic groups. Aircraft employment showed a modest increase to extend the recovery trend that has been evident in the industry since last August.

With the entry of students and graduates to the labor force, unemployment increased from 152,100 in May to 175,600 in June. The rate of unemployment rose to 5.7 percent of the civilian labor force from 4.0 percent in May. Last June, the jobless numbered 224,400, or 7.5 percent.

Music to be presented will range from the works of Bach, Handel and Brahms to that of the contemporary composers.

**SOLOISTS**  
 Two soloists, Robert Eades, bass, and Madison Taylor, tenor, will be heard in "Rejoice, oh Judah!" and "If With All Your Hearts."

Marise Counsell, recently returned from New York, where she sang folk songs at Maniznis and the playhouse Cafe while making off-Broadway appearances, will also participate on the summer program. Miss Counsell is an alumna of El Camino College; she appeared in the college production of "Allegra" with Paul Comi in 1954.

A series of four spirituals and folk songs arranged by Jester Hairston, who has been musical director for a number of Hollywood movies and for the Los Angeles Civic Light Opera Company, will also be featured.

**PROGRAM'S END**  
 Completing the program will be selections of Frank Loesser, taken from "Guys and Dolls" and "Most Happy Fella."

Soloist Vic Barrera, a male quartet, three duets and the full choir will be presented in the performance of Loesser's show tunes.
